About The Concert

Get ready for the ultimate throwback showdown as decades collide at Battle of the Decades. A high-energy tribute to the music that defined the 70's, 80's, and 90's! Taking the stage at the Madison Theatre at Molloy University on Saturday, September 19 at 7:30PM, this electrifying concert brings together three powerhouse acts, each repping a different era of unforgettable sound.

Feel the groove with Radio Gold as they bring the soulful vibes and iconic hits of the 70's to life. Turn up the volume with Rock of 80's, delivering the anthems, energy, and larger-than-life spirit of the 80's. Then relive the edge and attitude of the 90's with Reality Bites, capturing the sound of a generation that changed music forever.

From classic rock and disco to synth-driven hits and alternative anthems, Battle of the Decades is a time-traveling experience packed with nonstop music, nostalgia, and crowd-fueled energy. Between sets, keep the excitement going as the night builds toward an epic celebration of the songs you know and love.

The evening will also continue the tradition of honoring passion and musical excellence with the presentation of the Ted Fass Music Scholarship, awarded to a deserving incoming music student at Molloy University who embodies creativity, perseverance, and a true love for the art of music.

So whether you're team 70's, 80's, or 90's, come ready to sing, dance, and decide.... which decade rules them all?
